O Holy Spirit of Instruction, do not allow my soul to be confounded. You are my Divine Teacher and it is You who instructed me, and it is from Your Mouth I have been taught. I am here to listen to you my Lord and Master.

you even though you often feel it that way ♡ remember that without Me you are unable to make one little stroke ♡ I am the One who leads you and instructs you, by your side I am, let Me guide you in this way; pray and you shall obtain strength in your faith; I shall help you to observe, come ♡ I Jesus love you! *

* I knew Jesus wanted to tell me this but I did not want it to be written because some people had criticised that there were too many 'I love you', but Jesus wrote it anyway with great speed before I have the time to lift my hand from the paper, and added an exclamation mark with Holy Humour...

be in peace now My child, leave your worries behind in My Presence, look at Me in silence, be in peace, feel My Peace, I am near you, but you cannot see Me with your physical eyes, I am near you and I have taught you to discern Me My child, just like I have taught others, even today I am still teaching a few chosen souls to hear Me and discern Me ♡ rest, come, we, us ♡ ?

forever and ever. I bless You Lord.

Jesus?

I am, My Love for you is everlasting,
My Faithfulness to you is everlasting,
abandon yourselves to Me daily and I shall
do the rest, pray without cease to Me, I
am always eager to hear your prayers; never
forget Me, I never forget you, so think of
Me constantly; if you only knew My child
how near you I am! treat Me as a King,
realize how naked you were and how I
covered your nakedness with My Graces,
realize how I your King looked upon
